Missed Appointment Policy

In order to best serve our patients, we ask for at least **24 business hours notice** if you are not able to keep an appointment. This will allow us time to better serve our patients and attempt to fill the appointment. If we do not receive this notice, we reserve the right to charge a missed appointment fee of \$50 per hour of appointment time.

If repeated missed appointments without 24 business hours notice occur, we may kindly request that you transfer your records to another dental office that is better able to serve your appointment needs.

Thank you for choosing Dental Designs of White Marsh for all of your dental needs.
